

# Short-term Accommodation (Respite)

**Lifestyle  
Solutions**

**Our Short-term Accommodation site, Allawah House, is located in Logan, Queensland, just south of Brisbane. It's Aboriginal translation means 'come stay here and rest' and that's just what it offers.**

Allawah House allows people living with disability to experience time away from home in a safe, engaging and supportive environment.

With a welcoming, home-like atmosphere, Allawah House can accommodate our customers for a week-long annual holiday, a weekend away each month or a few hours break each week.

We offer a range of fun activities including barbeques, art and craft activities, movie nights and learning new skills such as gardening and cooking.

Allawah House provides an opportunity for our customers to relax and have fun, and their carers to recharge and take some time out for themselves – everybody wins.

## **Flexible Delivery**

Our friendly Community Support Workers can provide short-term, flexible support in your own home or we can help you find a property in an area of your choice.

We can also help you connect with your local community and take part in social activities outside your home.

## **What our customers can expect?**

We're committed to our customers. As part of our service delivery, our customers can expect reliable, responsive, flexible, friendly, empathetic and caring service.
