

# Supported Independent Living

**Lifestyle Solutions**

**We're here to support you. Built around our customer's needs, we provide a range of accommodation options to enable you to live more independently.**

Our support programs give greater choice and control over who you choose to live with and how the supports in your home are structured.

These programs are individualised and offer a range of services to promote quality of life and independence such as:

- selecting and moving into a safe and secure home
- daily living and personal care skills
- involvement and participation in the community
- opportunities for learning and development
- involvement in decision making, daily planning and budgeting
- good communication with families, friends and circles of support.

## **What our customers can expect?**

We're committed to our customers. As part of our service delivery, our customers can expect reliable, responsive, flexible, friendly, empathetic and caring service.
